## SECTION - A READING (10 marks)

Pandas are large and have soft fur. They look cuddly. They have big heads and heavy bodies. Their ears are round and tails are short. The Chinese call the panda the 'giant cat bear' because they have cat-like eyes. Pandas have sharp eyes and can see very well.

Giant pandas are mainly white. But they have black patches around the eyes, ears, shoulders, chest, legs and feet. They live in the snowy and rocky places and walk around in the snow. Their black and white colour helps them to hide from their enemies. Pandas have very thick, oily woolly fur that keeps them warm in the cold and wet mountains.
